“Touching Tomorrow Today”

Our Mission

The Community Development Corporation is committed to providing community improvement and services that will benefit the South Jersey Regional Resident.

Being transformed into an exceptional outreach organization that is driven by the needs of individuals and families, partnering with others to ensure the delivery of services to make a positive impact on the life of each person touched by its efforts.

What Do We Do?

The Grace Temple Community Development Corporation (GT CDC) is a not-for-profit Corporation extends to reach the South Jersey Regional Community to provide benefits directly to the residents. The GT CDC will target but is not limited to providing services relative to educational opportunities, job development, enrichment programs, housing development and other appropriated programs that will benefit our community.

The GT CDC is a separate business entity of Grace Temple Baptist Church, and strives to obtain Federal, State, and Private funding to support community programming. The GT CDC maintains separate corporate records, and is a stand alone 501c3 corporation.
