Now it is required that those who have been given a trust must prove faithful. Cor 4:2

Members of the Grace Temple Baptist Church Steward Ministry, under the leadership of the pastor, are charged with the responsibility of being faithful stewards in the execution and management of the business of the church as well as being faithful Christians in the home and in the community. Stewards are held to the same Biblical standards as members of the Board of Deacons. All trustees are responsible to the pastor and the church body. Each trustee is assigned work in the area of need as designated by the Chairman of the Steward Board.

Biblical reference to a steward or trustee named Eliezer can be traced back to the days of Abraham (before his name change), Genesis 15:2. The Bible also refers to “the Steward of Joseph’s household,” Genesis 43:19.

Members of the Steward Board act as stewards and managers of the total material possessions, real properties and financial assets of the church. They are charged with regular maintenance and beautification of the church physical plant. Stewards act as legal agents of the church before the state to execute real property purchases, land acquisition, management and securing permits. Each Steward has pledged to be sensitive to the needs of this congregation and to seek divine guidance in meeting those needs.
